For a thousand
years, I've
carried the
grudges of
women from
all ages. I am
a vengeful spirit!!
Hee Hee Hee....!!

My name
is the
1,000
Year Old
Woman.

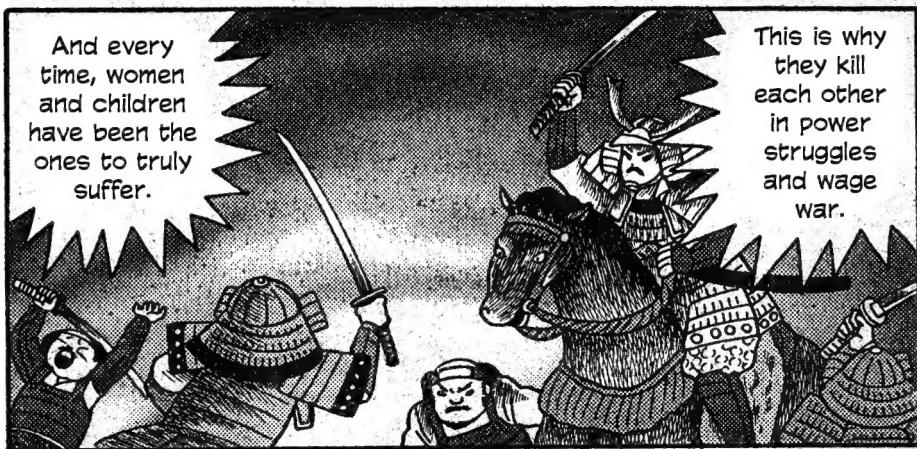

Have believed
they are the
ones who have
shaped history.

Since
ancient
times, men
from all
over the
world...

And every
time, women
and children
have been the
ones to truly
suffer.

This is why
they kill
each other
in power
struggles
and wage
war.

The lives of
husbands and
wives and even
lovers, the world
remains dominated
by men.

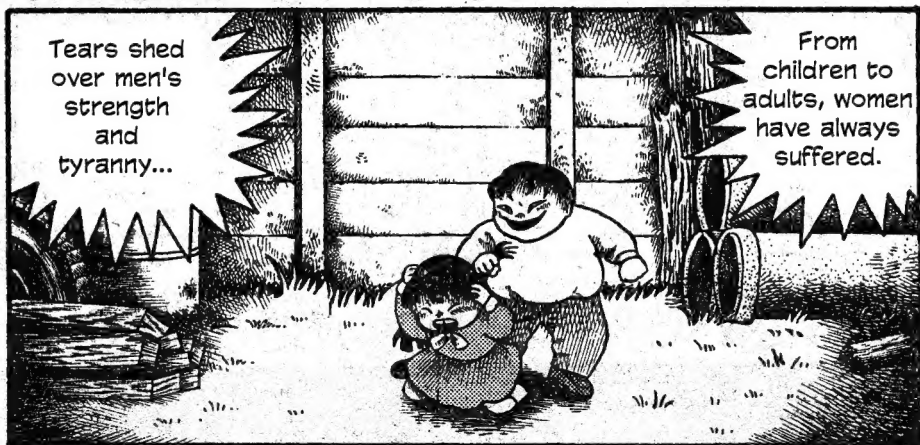

The same
happens
on the
individual
level...

Tears shed
over men's
strength
and
tyranny...

From

adults, women
have always
suffered.

Centuries of
accumulated
grudges and
resentment...

And this
hasn't
changed
even in
this
modern
age.
